RULES FOR ENROLMENT AS CORPORATE/ASSOCIATE CORPORATE MEMBER

The Institution of Permanent Way Engineers (India) is a professional body aiming to disseminate technical knowledge relating to Permanent Way Engineering amongst its members through technical seminars, publication of technical journals and organising exhibition etc. at regular intervals.

In order to make the Institution of Permanent Way Engineers a dynamic and vibrant organisation and to share its experience with other concerned technical bodies, the enrolment to become our Corporate members has been opened to Organisations/Firms/Institutions who deal directly or indirectly with permanent way technology.

The technical bodies who can become Corporate/Associate Corporate members are Institutions and Organisations dealing with transportation engineering, consulting firms and organisations, firms dealing with construction and maintenance of engineering equipments and assets, manufacturers and suppliers of permanent way Components and such other technical bodies. The fees and facilities extended to such members are given below:

1. **Corporate Member** : One time Fee Rs.1,00,000/-.

This enrolment makes you eligible to receive all the literature being circulated by IPWE on latest developments in track.

Three of your representatives shall be invitees to all the National/International Seminars of IPWE which are usually held annually, at subsidized rates as applicable to such members.

You will also have an opportunity to present papers and publish papers on track matter in Journal of the IPWE.

2. **Associate Corporate Member** : One time fee Rs.60,000/-.

This enrolment makes you eligible for all the literature being circulated by IPWE on latest developments in track.

Two of your representatives shall be invitee to all the National/International Seminars of IPWE which are usually held annually, at subsidised rates as applicable to such members.

Associate Office: IPWE Offices, Near Section Endgg.(Works) Office, Northern Railway HQrs, Baroda House, New Delhi – 110001 – Telephone Rly.83 2884 – P&T 3384385
