

Institution of Permanent Way Engineers (India)

Under the auspices of Ministry of Railways

International Technical Seminar of I.P.W.E. (India)

Topic

Global Trends in Track Technologies and Fast Paced Construction

Date: 20th July, 2017.

Venue: Sovereign Hall, Hotel Le-Meridien, Janpath, NewDelhi-110001

An International Technical Seminar of the Institution of Permanent Way Engineers (India) will be held on 20th July, at New Delhi, India.

Indian Railways is witnessing unprecedented transformation and paradigm shift due to massive thrust on expansion of Network. The network is being upgraded for raising of speeds and heavier axle load operation. High Speed Rail Network has been envisaged and is taking shape. This scenario, necessitates identification and adoption of best Global Technologies in the area of Modern Track Technology, High Speed Rail and Fast Paced Construction methodologies.

The purpose of this seminar is to attract participation of leading international track and construction experts to share their domain knowledge and deliberate on latest trends and practices in track technologies and construction methodologies. Special reference will be to High Speed and Semi High Speed Rail Construction.

Technical Papers – Call for papers

This is a call for papers for the above Seminar. The papers should be thought provoking and should generally be supported by extensive field data.

Delegates desiring to present their papers should send their papers/presentation to the Director, Indian Railway Institute of Civil Engineering (IRICEN), Rail Path, Pune-411001 by 15th June, 2017 along with a copy of abstract (about 200 words). Soft copy of the paper/presentation may be mailed to director@iricen.gov.in with a copy of ipwedelhi@gmail.com, edipwerb@gmail.com and ctenr2012@gmail.com. The authors of the papers will be intimated well before the Seminar about their presentation schedule. A brief bio data of authors and their photographs should accompany the paper/presentation.

The technical papers/presentations are to be collected in advance so that these can be circulated to various delegates in time for more fruitful technical discussions at the time of Seminar.

Presentations by Experts, Consultants, the Trade, Industry and other stake holders are welcome.

109, NCRPU Building, Behind Shankar Market, Connaught Place, New Delhi – 110 001, India
